

HILL MEDICAL

SKIN & HEALTH

For Treatments with **Nurse Caroline Hill**

Initial consultation is free of charge. We also offer our clients a free review two weeks post-treatment.

*Consultation is required prior to all injectable treatments.

Caroline Hill has been a registered nurse prescriber since 1988 and has been practicing at the forefront of the aesthetic industry since 2004. She has studied Dermatology at post graduate level, has a Post Graduate Certificate in Non-Surgical Aesthetic Medicine and an Advanced BTEC in Laser Skin Health.

During your consultation, Caroline will take time to understand your concerns and together you will design a tailored treatment plan. You will have time to ask questions and consider your options before booking a further appointment for treatment.
