

Private Self-pay GP Service

From 18th April we will offer a private self-pay GP service for people over the age of 18

This means you can choose to see our highly experienced NHS GP on site at the Hill Medical Clinic, for unrushed appointments. We aim to provide appointments quickly and with a view to eventually offering same day appointments. You can access the service as a one-off or visit on a regular basis.

We are committed to patient safety and best clinical practice; therefore, we work in conjunction with your own NHS GP. Following your appointment at Hill Medical Clinic, we will (with your consent) provide a copy of your appointment summary, the results of any diagnostic tests, or prescribing decisions to you and your NHS GP. This gives you the choice and flexibility to continue any treatment with your NHS GP at any time.

<u>30 Minute Appointment</u>	£125
<u>60 Minute Appointment</u>	£225
<u>15 Minute Review Appointment (Booked by Practitioner only)</u>	£90
<u>Private Prescriptions</u>	£30
<u>Private Sick Note</u>	£30
<u>Private Referral Letter</u>	£30

IF YOU REQUIRE EMERGENCY MEDICAL ATTENTION, OR ANY OTHER TREATMENT THAT IS URGENT, WE STRONGLY ADVISE THAT YOU CONTACT THE EMERGENCY SERVICES BY CALLING 999 or NHS 111 or <https://111.nhs.uk/>

We recommend that you register with an NHS GP. However, if you don't have an NHS GP, or are an overseas patient seeking private treatment in the UK you can access this service.

Our Private GP Service is Led by:

Dr Qumer Younis MBChB MRCP RCPPathME (GMC: 7014698), a General Practitioner who offers a regular private GP service at the clinic.

Dr Younis qualified in 2008 from the University of Sheffield. Since qualifying, he has worked extensively in the local hospitals during his training. He has been a GP for over 10 years in various practices across the city. He is a member of the Royal College of General Practitioners and is also a member of the Royal College of Pathologists.

Dr Younis has special interests including acute and urgent medical care, gastroenterology, mental health, pain management and palliative care. Dr Younis is passionate about providing accessible and timely General Medical Care to the local population. He has an extensive knowledge of local services and can provide onward referral if needed.

Your Safety

All our healthcare practitioners are experts in their respective fields and are members of the General Medical Council (GMC), or Nursing and Midwifery Council (NMC) and undergo a thorough vetting process prior to delivering a service.

The Clinic is registered and regulated by the Care Quality Commission, which means the care provided and the professionals who deliver it meet the government standards for quality and safety. Consultations and treatments are delivered in accordance with the NICE (National Institute for Health and Care Excellence) Guidelines.
